South Suburban Dishes Weekday Comfort Food

Meat loaf, fried chicken and lasagna. For some it brings up nostalgic thoughts of family and friends, and for others it's the culinary equivalent of a warm sweater or a favorite blanket. Comfort food fills our belly and warms our soul. South Suburban has introduced a weekday "Early Bird" menu at two of its public restaurants, designed for the early diner who craves comfort food at a reasonable price.

The Lone Tree Grill at Lone Tree Golf Club & Hotel and The Club at South Suburban Golf Course offer the weekday "Early Bird" menu that features a daily, signature entrée. Dinner service begins at 4 pm, and entrees cost \$9.50 per person. In addition to the "Early Bird" specials, guests can order from the restaurant's standard menus.
