South Suburban Parks and Recreation and City of Littleton Offer

Free Christmas Tree Recycling and Mulch

South Suburban Park and Recreation District and the City of Littleton will offer Christmas tree recycling at two locations within the District from Dec. 26 through Jan. 13. Locations include South Suburban's Willow Springs Service Center, 7100 S. Holly St., in Centennial and Cornerstone Park, 5150 S. Windermere St. (corner of Belleview Ave. and S. Windermere St.) in Littleton.

Trees may be dropped daily, from sunrise to sunset, in Cornerstone's parking lot, adjacent to the soccer fields. Trees can be dropped at Willow Springs Service Center, weekdays between 7:30 am to 3 pm.

All decorations need to be removed from the tree, including lights, ornaments, garland, tinsel and stands. Flocked or artificial trees and yard refuse will not be accepted. Most trash and waste removal companies do not accept Christmas trees, so District residents are encouraged to take advantage of this free program.

The trees will be mulched and used in landscaping throughout the South Suburban District and the City of Littleton. Residents can obtain free mulch, beginning Dec. 30. The mulch will be available weekdays, 7:30 am until 3 pm at the Willow Springs site. Mulch is available from the City of Littleton year-round at the northwest corner of S. Prescott St. and W. Prentice Ave. Residents are responsible for loading and are encouraged to bring bags or trash cans and a shovel or pitchfork. Call South Suburban at 303-721-8478 or the City of Littleton at 303-795-3863 for more information.
